

OUR CURRICULUM

School Based Curriculum

- The majority of pupils arrive at the school with a history of disrupted patterns of education. For many their behaviour and other complex needs have been a barrier to them making the progress that they should have made in the past. Many arrive with significant gaps in their education resulting from poor attendance and multiple exclusions. As a result, they are generally not where they should be in terms of their educational attainment.

How we deliver our School Based component of our Curriculum:

- National Curriculum KS2 and KS3:
- KS4 Offer:
- Additional Accredited Subjects:
- GCSE Options:
- Literacy and Numeracy Interventions:
- Baseline assessment:
- Differentiated Curriculum reflecting EHCPs:
- Personalised Tutorials:
- SMSC:
- PSHE Curriculum:
